

SECTION 14: ENFORCEMENT OF BONDED OBLIGATIONS

If any Common Area improvements in the Project have not been completed prior to the issuance of the Final Public Report and the Association is obligee under a bond or other arrangement ("Bond") to secure performance of the commitment of Declarant to complete such improvements, the Board shall consider and vote on the question of action by the Association to enforce the obligations under the Bond with respect to any improvement for which a Notice of Completion has not been filed within 60 days after the completion date specified for that improvement in the Planned Construction Statement appended to the Bond. If the Association has given an extension in writing for the completion of any Common Area improvement, the Board shall consider and vote on the aforesaid question if a Notice of Completion has not been filed within 30 days after the expiration of the extension.

A special meeting of Members for the purpose of voting to override a decision by the Board not to initiate action to enforce the obligations under the Bond or on the failure of the Board to consider and vote on the question, shall be held not less than 35 days nor more than 45 days after receipt by the Board of a petition for such meeting signed by Members representing 5% or more of the total voting power of the Association. At such special meeting, a vote of a majority of the voting power of the Association residing in Members other than Declarant to take action to enforce the obligations under the Bond shall be deemed to be the decision of the Association and the Board shall thereafter implement this decision by initiating and pursuing appropriate action in the name of the Association.
